

SHIP SECURITY INFORMATION REQUEST - FORM PS01

(Advance notification from a vessel of crew, crew movements, expected visitors and expected deliveries)

Prior to a vessel's arrival, Port Nelson's Security Plan requires the following information to be faxed or emailed to the Port Nelson Security Gatehouse. This information is required to ensure the correct personnel have access to and from the ship with a minimum of delay and disruption to any of the ship's activities and cargo operations.

Port Nelson will accept an alternate styled form so long as all the information requested below is provided.
