

OUR VISION

PORT NELSON

The Region's Gateway to the World

PEOPLE

An engaged and highly capable team putting safety first

- Drive a culture of zero harm through everything we do
 - Demonstrate visible and open leadership
- Build capabilities through securing the right people
- Provide opportunities for career development of our people

INFRASTRUCTURE

An approach to asset investment that supports the business

- Improve asset utilisation
- Invest wisely in core Port infrastructure
- Reconfigure Port operational layout for efficiencies
- Improve returns from our investment property

CUSTOMERS

An organisation that delivers real value to its customers

- Deliver a customer centric approach across the organisation
- Continually engage with our customers to better understand their businesses
- Develop active and engaged working groups for Port users
- Build strategic alliances with key customers

PERFORMANCE

A successful business delivering value to our shareholders

- Grow the value of the business for shareholders and our community
 - Identify new opportunities to grow our revenue
- Embed a culture of continuous improvement

COMMUNITY

A sense of great pride in the role we play in our community

- Support integration of the Port and Nelson city
- Deliver a sponsorship programme that supports our local region
- Provide access for the community to the Port
- Deliver external communications that inform and engage

ENVIRONMENT

A leader in sustainable environmental management in the NZ Port Industry

- Implement best practice environmental management
- Minimise the impact of our operations
 - Integrate sustainability into what we do
- Measure, report and improve our performance

Purpose - To Facilitate Regional Prosperity
